

CSE 352 Artificial Intelligence Students Presentations Report

PRINT PART THREE and bring to class. Fill it in class during the presentations. I will collect it. You have to re-submit it within few days together with the other parts. You may change the number of points assigned and your FINAL opinion about the presentation you are evaluating.

Mail all THREE PARTS to me and TA within 2 days. A credit for reports will be given **only** to students who submitted PART THREE in class.

Professor's evaluation of the presentations is TOTALLY independent of your evaluations.

PRESENTATION REPORT FORMAT

Here are THREE PARTS of your students presentations report. Make notes during students presentations keeping in mind what you have to include in your PARTS ONE - THREE.

The slides of the presentations will be put on the WEB as we receive them. SO PLEASE mail your presentations slides to ME as soon as you deliver them.

PART ONE: Write your own general opinion about the talk, speakers, subject. Compare with at least 2 other talks.

PART TWO: Write your own short description of the **content** of the lecture part of the presentation.

PART THREE: Write your own evaluation of each presentations. Give number of points for each category and write one- two comment supporting your evaluation.
